SOLID GDP GROWTH EXPECTATIONS FOR CEE

CEE GDP growth forecasts continue to outpace euro area in 2025

- Driven by private consumption, growth in most economies of Central, East and Southeast Europe (CESEE) will pick up in 2025, especially in the EU member states
- EU members of CEE with 2.8% expected GDP growth are likely to grow at about twice the rate of the EU member states (1.4%), continuing their economic catch-up process
- Poland leading the growth of the markets with expected GDP of 3.5% in 2025

Dividend policy of VIG

- Minimum dividend set at the previous year's level based on capital strength of the Group and to reflect the resilience of the business model
- The dividend is to increase continuously depending on the operating earnings situation

¹ Management proposal, subject to approval of the Annual General Meeting | ² IFRS 17/9 adjusted (reported 2022: € 3.58)

OUTLOOK 2025

Positive outlook for 2025 despite volatile environment

- Based on the proven management principles, VIG has managed the impact of the challenging geopolitical and macroeconomic conditions very well and is well prepared for the volatile environment
- VIG's diversification across markets and lines of business, the customer centricity of the group companies and the capital strength of VIG provide excellent conditions for continuing the successful course
- Given the above, a positive performance is also expected for 2025

Management of VIG therefore has the ambition to achieve **profit before taxes** within a range of **€ 950 million to € 1 billion** for the 2025 financial year

The outlook contains forward-looking statements that concern future developments in Vienna Insurance Group (VIG). These statements are based on current assumptions and forecasts made by the management. Changes in general economic developments, future market conditions, capital markets and other circumstances could result in actual events or results differing significantly from these forward-looking statements.

Result for the period after taxes and non-controlling interests	645.3	559.0	15.4

- Insurance service revenue up by € 1,216.7mn with all segments contributing to the growth, mainly driven by P&C business (Premium Allocation Approach)
- Total capital investment result up by € 151.3mn, primarily due to higher interest revenue from the bond portfolio, supported by market interest rate development
- Adjustments: Goodwill impairment of € 116.3mn in Hungary decreases the goodwill of the cash-generating unit Hungary to € 70.2mn
- Result before taxes increased by € 109.1mn driven by positive developments in the segments Extended CEE, Poland and Special Markets
- Tax ratio of 24.4% (12M 2023: 25.4%)

INSURANCE SERVICE REVENUE OF € 12.1 BILLION EURO UP BY 11.1%

Insurance service revenue by segments; 12M 2024 (€ mn)

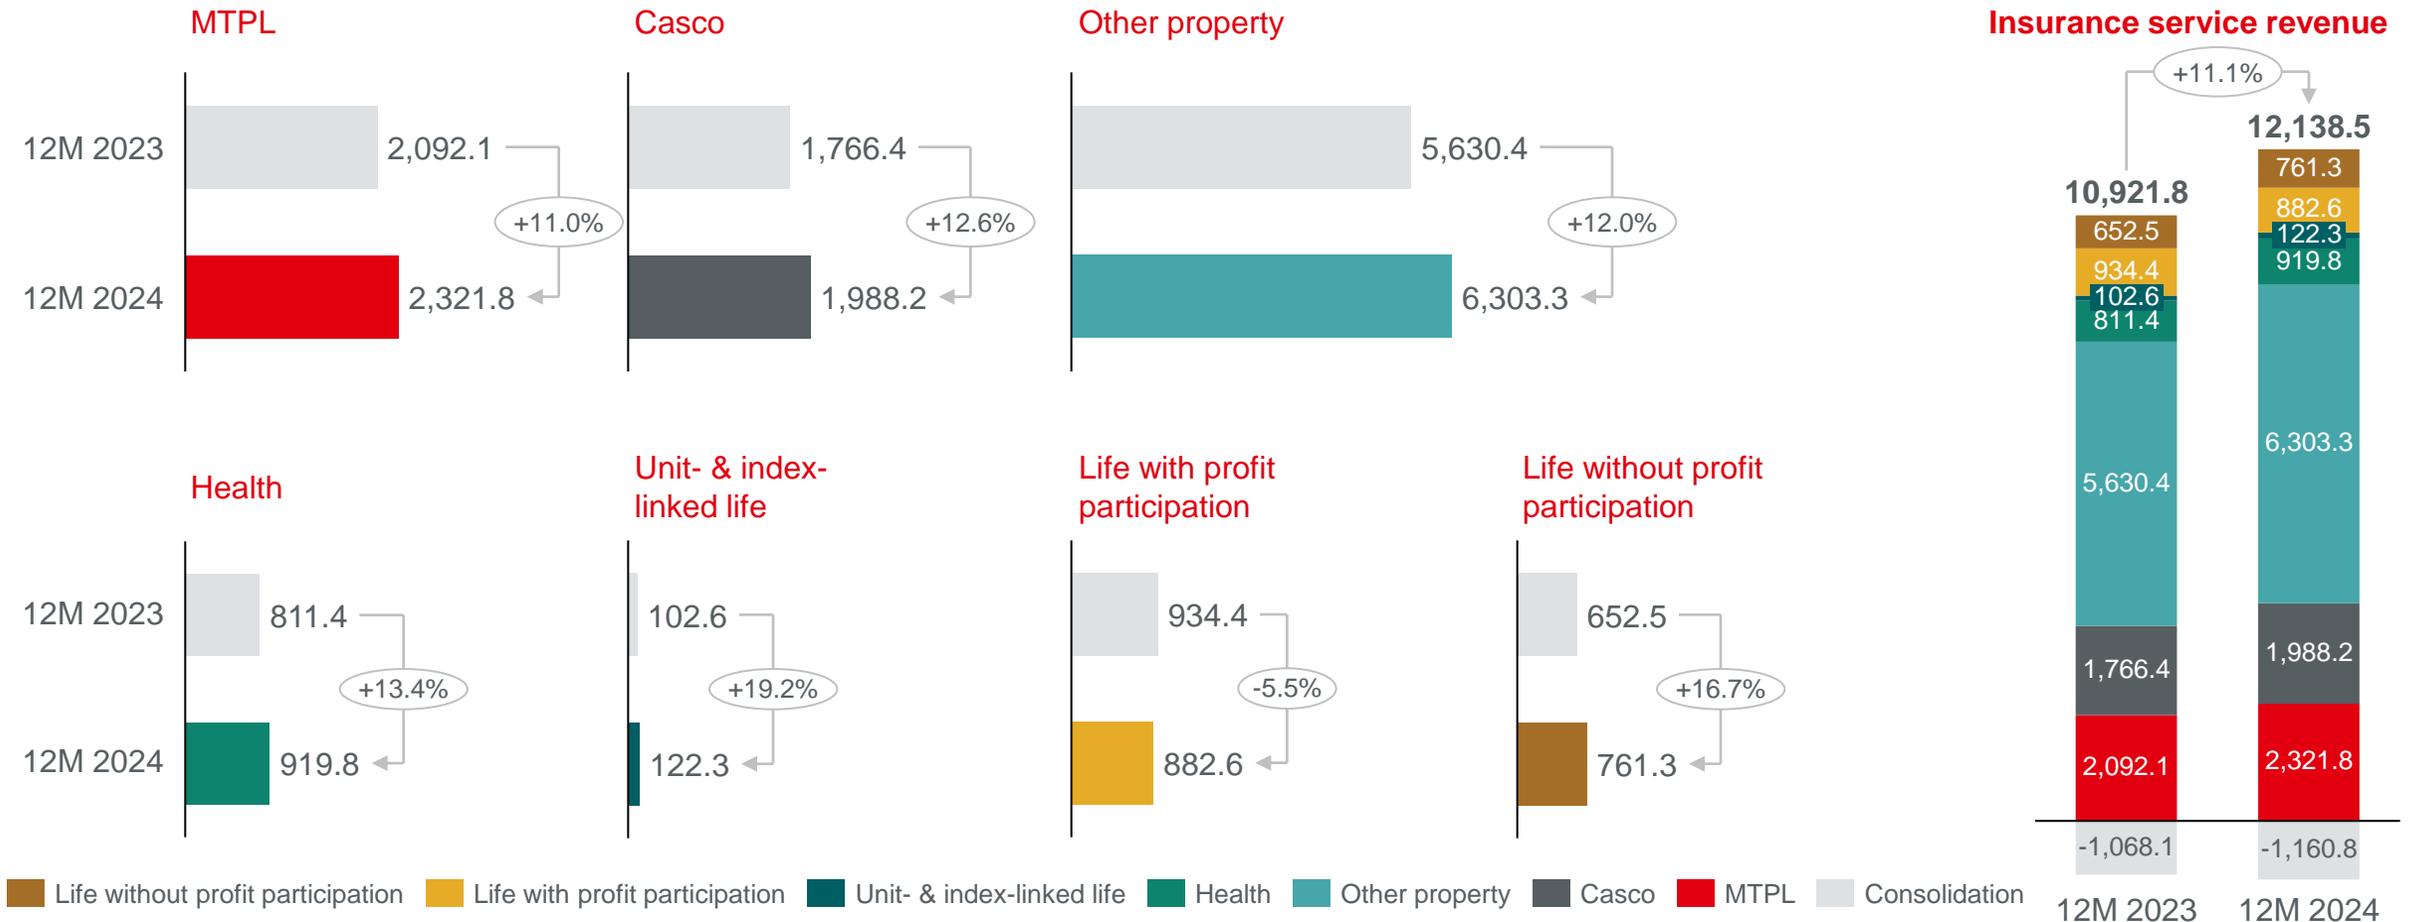

- AT: Insurance service revenue up by € 235.8mn driven by non-life business (PAA)
- CZ: Slight revenue growth based on positive developments in motor and other property business
- PL: Double-digit revenue growth mainly driven by other property and health business
- Extended CEE: Insurance service revenue up by € 451.4mn supported by solid performances in Romania, Slovakia, the Baltics, Hungary and Bulgaria; particularly solid growth in motor and other property lines of business
- Special Markets: Significant increase of € 306.6mn mainly attributable to the dynamic business development in Türkiye in motor and other property

Group Functions: € 1,780.9mn (12M 2023: € 1,652.2mn) +7.8%; Consolidation: € -1,160.8mn (12M 2023: € -1,068.1mn) +8.7%

RESULT BEFORE TAXES GREW BY 14.1% TO € 881.8 MILLION

Result before taxes by segments; 12M 2024 (€ mn)

- AT: Result before taxes down by € 49.8mn due to the decreased capital investment result and an increased combined ratio
- CZ: Result before taxes decline by € 6.9mn; main cause is combined ratio deterioration due to claims ratio increase
- PL: Increase of € 35.7mn driven by improved combined ratio; profit before taxes in 2023 burdened by restructuring measures due to mergers
- Extended CEE: Result before taxes up by € 58.7mn; increased contributions from Romania and Slovakia, based on improved combined ratios
Result before taxes includes adjustments, in 2024 mainly goodwill impairments of € 116.3mn for Hungary (Adjustments 2023: € 81.7mn)
- Special Markets: Increase in result before taxes by € 24.4mn predominantly due to the positive business development in Türkiye; 2023 was impacted by an impairment of purchased customer bases in Türkiye in the amount of € 9.8mn

Group Functions: € 21.3mn (12M 2023: € -25.8mn)

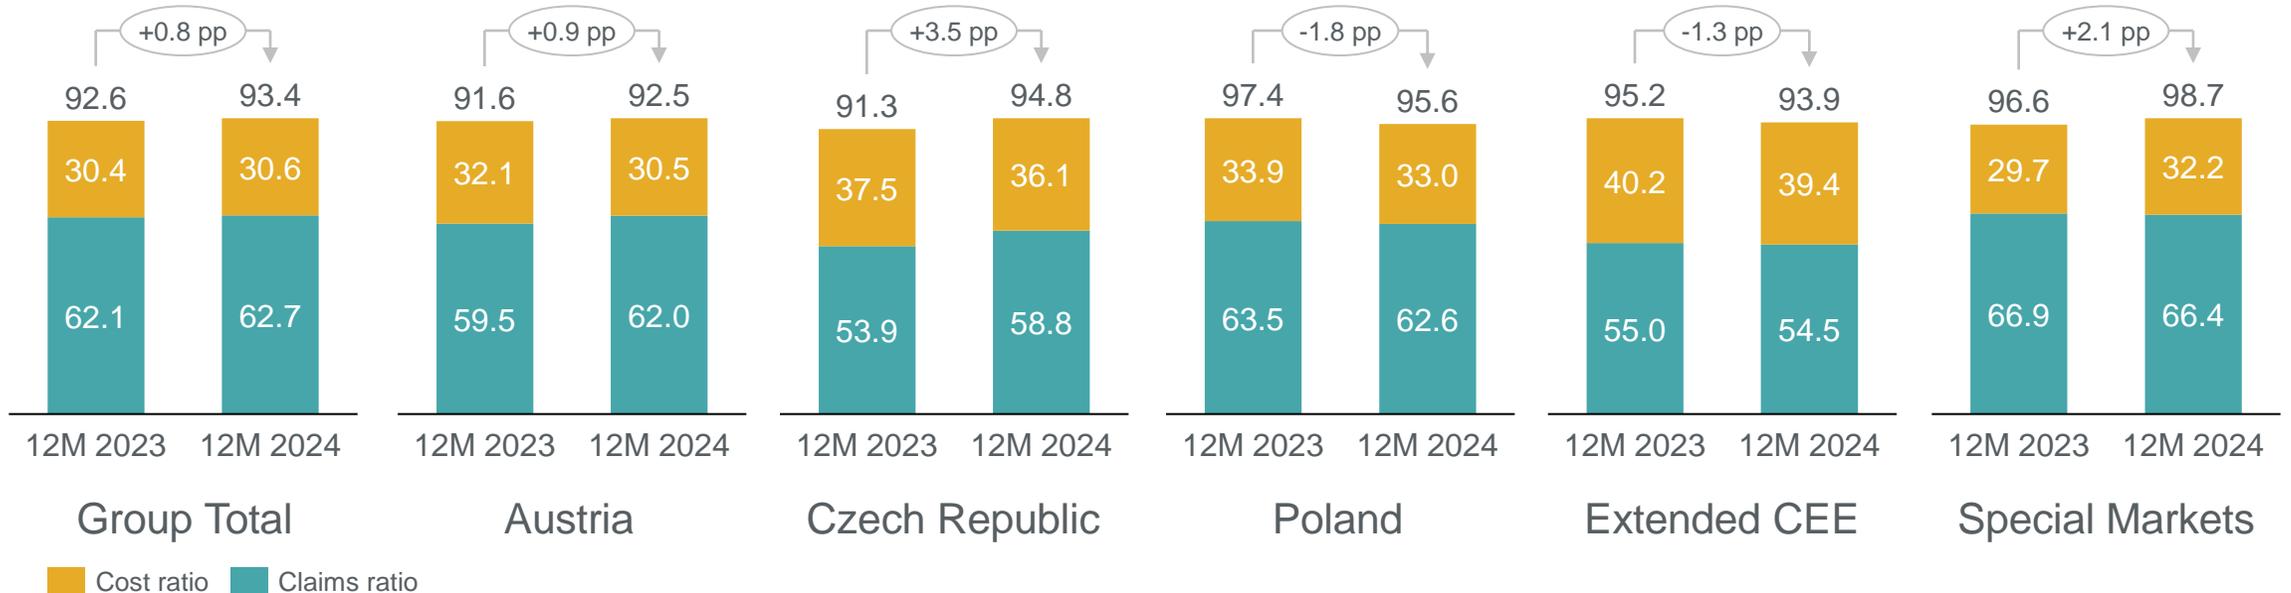

P&C NET COMBINED RATIO ON A SOUND LEVEL OF 93.4%

SLIGHT DETERIORATION DUE TO WEATHER-RELATED CLAIMS AND NATCAT

Discounting impact on claims ratio in 12M 2024 of 3.4% (12M 2023: 3.3%)

- Net insurance service expenses of € 7,931.6mn (12M23: € 7,018.0mn) / Net insurance service revenue of € 8,494.8mn (12M23: € 7,582.2mn)
- NatCat event Boris caused gross claims of € 617mn; VIG's reinsurance programme limits impact in 2024 to around € 70mn net
- In Austria, weather-related increased claims ratio is main driver for combined ratio development
- In the Czech Republic, weather-related claims (a.o. storm Boris) and a higher number of property claims in retail drove claims ratio increase
- In Special Markets, the substantially improved CoR in Türkiye does not outweigh the deteriorated CoR in Germany

S&P CONFIRMES A+ RATING WITH STABLE OUTLOOK

Revised S&P Capital Model Criteria

S&P published updated research for VIG under revised model and affirmed A+ rating with stable outlook

- Solid capital buffers at the highest confidence level (99.99%), as per S&P's updated risk-based capital model, supported by VIG's underwriting discipline
- VIG's financial leverage moved firmly below 40% and is expected to remain in a range between 30% and 36% in the next few years
- Key strengths:
 - Market leader in Austria and several Central and Eastern European (CEE) markets
 - A well-diversified insurance portfolio, enhanced by strong distribution capabilities and an exclusive bancassurance contract with Erste Group Bank AG
 - Solid reinsurance protection that limits the group's natural catastrophe losses
- Key risks:
 - Operating environment and economic conditions, including elevated inflation in larger emerging markets in the EMEA, namely Hungary, Poland, Romania, and Türkiye, remains challenging
 - Greater regional earnings concentration than higher-rated peers
 - Relatively high capital sensitivity to market movements, particularly interest rates

IMPORTANT NOTICE

These materials are for information purposes only.

These materials do not constitute or form part, or all, of any offer or invitation to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities in any jurisdiction in which such solicitation, offer or sale would be unlawful, nor shall part, or all, of these materials form the basis of, or be relied on in connection with, any contract or investment decision in relation to any securities.

These materials contain forward-looking statements based on current information and the currently held beliefs and assumptions of the management of VIENNA INSURANCE GROUP AG Wiener Versicherung Gruppe (“VIG”), which are expressed in good faith and, in their opinion, reasonable. These statements may be identified by words such as “expectation” or “target” and similar expressions, or by their context. Forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the actual results, financial condition, performance, or achievements of VIG, or results of the insurance industry generally, to differ materially from the results, financial condition, performance or achievements express or implied by such forward-looking statements. Given these risks, uncertainties and other factors, recipients of this document are cautioned not to place undue reliance on these forward-looking statements. VIG disclaims any obligation to update these forward-looking statements to reflect future events or developments.

VIG assumes no liability for the reliability or completeness of the information in these materials. Liability claims against VIG for damages arising from the use of the information presented in these materials are excluded to the extent permitted by applicable law.

Please note that calculation differences may arise when rounded amounts and percentages are summed automatically.
